Dear

Thank you for returning your Baywatch Survey 2012 form. Your feedback has been added to the growing list of replies, and we'll announce the results in September 2012. In the meantime, I'd like to take the opportunity personally to invite you to join Disabled Motoring UK at a special discounted rate of just £15 for 12 months!

With 90 years of campaigning history behind us we have fought and won many battles on behalf of disabled motorists. We campaign at all levels of government, from Westminster to parish councils, to ensure that our members' voices are heard and listened to. We work with businesses such as parking providers, supermarkets and petrol stations to make sure that services are accessible and safe for people with disabilities. If they aren't, we get involved.

In a climate of government cutbacks we need your help more than ever. Disabled people are likely to be some of the worst affected with cuts to Disability Living Allowance (DLA), and we are very concerned about how disabled people are to remain mobile.

In addition to this we are seeing an increase in Blue Badge abuse, which is depriving disabled people of their parking rights. We will lobby parliament on your behalf to keep these issues and others affecting disabled drivers on the political agenda.

**As a charity which receives no Government funding we need your help. The more members we have, the stronger our voice!**

**Member benefits**

Membership of Disabled Motoring UK gives you a lively monthly magazine covering all aspects of disabled motoring, access to an information and advice line, as well as discounts and concessions on a range of goods and services.

**All this for just £15 for a full year's membership** – that's 25% off the standard rate, and only £1.25 a month. Simply call 01508 489449 and quote 'BW 15'. Alternatively fill in the attached application and pop it in the freepost envelope supplied.

Thank you for taking the time to read this letter:

I really do appreciate your support

Yours sincerely,

## History of DMUK

Disabled Motoring UK has been campaigning for nearly 90 years for the rights of people with disabilities to have fair access to mobility. Thanks to pressure from us, Blue Badge parking debuted in 1970, followed closely by the Mobility scheme which was introduced less than a decade later. Mobility has empowered disabled people and given a new lease of life to those whose disabilities had previously curtailed their work and leisure opportunities.

Disabled Motoring UK will continue to campaign vigorously to ensure these schemes do not fall victim to Government spending cuts. We have worked tirelessly to achieve a fair deal for the disabled motorist and with your help we will continue to work just as hard in the future.

Join us now, and add your voice to the thousands of Disabled Motoring UK members who trust us to ensure that disabled drivers, passengers and Blue Badge holders get a fair deal.
