Change of charity name

Dear Member

From **Mobilise** to **Disabled Motoring UK**

As you may know from our magazine and website, Mobilise held an Extraordinary General Meeting on 12 March 2011. Members voted on a Special Resolution to change the charity's name to Disabled Motoring UK.

We are delighted to announce that members voted overwhelmingly for this name change and from 1 April 2011 we are to be known as Disabled Motoring UK. This is fantastic news and we are convinced it is a step forward for the organisation, which will bring benefits in terms of brand recognition and identity. The new name says who we are and what we represent.

There will undoubtedly be a short period of time when there may be some minor transitional issues to overcome. Please be patient with us.

It is important to point out to our members that the charity will continue to operate as a campaigning organisation. The only difference will be the name. Our ethos and direction remain the same and we will continue to tackle the issues that affect access and mobility for people with disabilities.

We have a number of activities planned for the year which you can read about in future issues of Disabled Motoring magazine. They will help to focus attention on to Disabled Motoring UK. We hope that you will support the planned activities and attend in person if possible. We would also like to ask our members to spread the word of our name change in the area where you live and encourage others to join. It is very important for our membership to continue to grow and any help that you can give with that would be extremely welcome.

We do hope that you will continue to enjoy your membership under the banner of Disabled Motoring UK.
