

Shower replacement only £299 from Dyno Plumbing

If you want to give your bathroom a new look with a reliable, water efficient and cost effective electric shower, talk to Dyno Plumbing today.

Our replacement shower offer includes a range of Mira showers expertly fitted by Dyno Plumbing. We will advise on the right solution for you, replace the shower with minimal disruption and guarantee all work for 12 months.

With a Mira shower you'll benefit from:

- Separate power and temperature controls to fine tune your shower
- Easy to use settings
- Multi spray showerhead with rub clean rubber nozzles for easy limescale removal
- Eco setting designed to save water and energy
- Clearscale™ technology which uses innovative heating elements to help reduce limescale

Further models may also be available, speak to your Dyno Plumbing engineer for details and prices.

This offer includes:

- Replacement of an existing shower with a Mira Jump or Mira British Gas Adjustable Mixer for £299 including VAT when installed by 31st December 2013
- Installation to an existing, suitable electrical and water supply
- 12 month guarantee on labour
- 12 month parts guarantee with Mira when registered

This offer excludes: Upgrades to electrical or water supplies, any remedial, tiling or reinstatement works required

Choose from:

Mira Jump

This range is specifically designed for the replacement of common electric showers and is available in three power settings.

Mira British Gas Adjustable Mixer

A compact shower developed exclusively for British Gas.
